- Competencies: Formal Logic, Numerical Methods, Calculus 3
- Courses: Engineering 54, Data Communications
- Tools: My own website, Client/server network at home

Work Experience

I am and have been a Stock Clerk in The Fresh Foods department of Harris Teeter since December 2017.

I was a Stock Clerk for Grocery, Dairy, Frozen, Seafood, and Produce. I have also been a Cashier for Front-end, and receiver for back room at \$80,000 dollars a day Safeway from 2016 to 2017.

I was a HBC Clerk and Assistant Manager for Giant Foods where I stocked Health and Beauty Care Products and General Merchandise. I also ordered products and made tags and signs from 2015 to 2016.

I was a Computer and Mathematics Tutor at John Tyler C. C. from 2011 to 2014.

Related Experience

I have helped students to learn Accounting, Economics and Spanish.

I have also provided supervision to students taking exams in testing areas.

I have kept records of the students entering and exiting a computer lab.

Other Work Experience

I managed an Automotive paint store, placed orders for merchandise, made deliveries, opened and closed Store daily.

I was Self-Employed in property maintenance; I located the damage to rental property and estimated cost of repair, and then repaired the damage.

Leadership Experience

I was a Sr. Math tutor and computer tutor at Santa Monica College's Math Lab where I planned work schedule for the tutors, monitored the time cards, and recommended new employees to be hired.

I was a Marketing Manager for mid-sized career college, my responsibilities where to motivate the sales team and too recruit new admissions into the college.
